

Can your interest, skill or time earn you money?

Meet at the White Hart, Whitchurch
On Tuesday 17 July at
12.00 – 2.00pm and 6.00 – 8.00pm
(Free Buffet Provided)

If you have even a vague idea or desire to work for yourself, we are here to help you turn your ideas into reality. We will be here to meet you over a light buffet to chat about:

- What ideas you have, whether for working a few hours a week or full-time
- Some practical hints and tips on how to start

We can show you how to get an income from your idea with practical hints and tips. Later on we can meet up individually to work on your idea, and form groups to support each other, compare notes and learn from guest speakers.

We are publicly funded to help people turn their ideas into part-time or full-time earnings. Everything we do is free of charge, with no strings attached.

Call 08454 58 64 56 if you want to come along (to make sure we have enough food), or if you want to speak to us sooner.
